Please note all MKMC meets are listed as starting on a Friday, as many members choose to head out during the day or after work on the Friday. Likewise on bank holidays the meet covers the extended weekend. Anyone not able to do this is still more than welcome – just arrive at the venue at any time that suits you and stay as long or as short as you want. Further details (activities in the area, car share etc.) will be circulated closer to the meet taking into account expected numbers and weather conditions. This document shows the 'official' MKMC meets across the year but many more are organised by members via the Facebook page and the MKMC email list. They operate in a similar informal manner but have not been organised via the MKMC committee. For those of you that have not attended a meet before you might want to view the **Guide to Club Trips**.
